

EXPERIENCE

2018–current FREELANCE DESIGNER

Under the mentorship of creative director & designer, Rickie Ashman, I assist the brand development for skincare brand EvenPrime through web, logo, and package design. I additionally take on design and marketing projects for clients such as Heineken and Gucci on the side.

2018 DESIGN INTERN → FREELANCE
Where It's Greater

I executed my motion graphics skills on both client and in-house projects—promotional videos, music videos, and web pages. I was also able to witness and pitch into the conceptualization process in the initial stages of upcoming projects.

2017–current MULTIMEDIA INTERN
UCLA International Institute

I am responsible for a wide range of tasks including graphic design, motion graphic animation, video editing, and photo editing.

2017 STAFF → DIRECTOR
Campus Events Commission

In the Print Marketing Design Team, I created web and print graphics for events such as concerts, speaker panels, and film screenings. As director, I was responsible for Bruin Bash, an annual concert which welcomes over 30,000 students every fall. I developed the brand image and logo to be used for websites and promotional material.

2016 MARKETING DESIGN INTERN
UCLA Athletics

I created promotional graphics for web graphics, banners, and printed signage.
