

EXPERIENCE

2019–current DESIGN INTERN
In-fo.co

I currently assist in the creation of promotional material such as video content and graphics.

2017–current MULTIMEDIA DESIGN INTERN
UCLA International Institute

I am responsible for a wide range of tasks including graphic design, motion animation, and photo and video editing.

2018 DESIGN INTERN → FREELANCER
Use All Five

During my internship at the design agency Use All Five, I worked on in-house events and publications as well as client projects. Aside from graphic design, I utilized my knowledge of motion graphics and 3D modeling to incorporate my own style.

2018 DESIGNER
EvenPrime

Under the mentorship of creative director & designer, Rickie Ashman, I assisted the rebranding process for skincare brand EvenPrime through web, logo, and package design.

2018 DESIGN INTERN → FREELANCER
Where It's Greater

I executed my motion graphics skills on both client and in-house projects—promotional videos, music videos, and web pages.

2017 STAFF → PRINT MARKETING DIRECTOR
UCLA Campus Events Commission

In the Print Marketing Design Team, I created web and print graphics for events such as concerts, speaker panels, and film screenings. As director, I was responsible for Bruin Bash, an annual concert which welcomes over 30,000 students every fall. I developed the brand image and logo to be used for websites and promotional material.

EDUCATION

2015-2019 DESIGN | MEDIA ARTS
Bachelor of Arts – UCLA

In this program, I was exposed to a uniquely wide scope of digital mediums ranging from print design to motion graphics, 3D modeling, and code.
